

Winter 2018

Ciao amici of Baltimore's Little Italy:

Saint Leo's Church is planning its two annual summer Italian Festivals for 2018: **Feast of Saint Anthony June 2-3** and **Feast of Saint Gabriele August 18-19**. Baltimore's Italian community have honored these saints since 1904 and 1928, respectively, and their deep significance to the parish.

Families and friends from around the city, state and country (and sometimes from *Italia!*) are attracted to these decades-old festivals to immerse in Italian traditions of food, music, camaraderie and culture. Each festival draws over 10,000 visitors to the Little Italy neighborhood, with many returning to their roots.

Saint Leo's offers you the unique opportunity to participate as a corporate sponsor **in one or both** of its 2018 Italian festivals. **(Sponsorship of a second festival is discounted.)** Sponsorship offers you the chance to showcase your business message while reaching a substantial audience. Attached is information describing three sponsorship levels.

We invite you to consider this distinct opportunity to support Saint Leo's Italian Festivals as Baltimore's Italian community celebrates its beloved parish – "the heart of The Neighborhood." You are encouraged to act today in returning the **Corporate Sponsorship Agreement** attached. ***(If your company is unable to donate a level of sponsorship today, perhaps you will consider a general donation of choice, which will assist our festival planning?)***

Your considered patronage is truly appreciated to help make Saint Leo's 2018 summer Italian festivals *fantastico!*
